

*Simply-Vegelicious
Cuisine*

*Let's get back to Basic...
Let's start with Vegelicious...*

Specialties on the house...

Soya-ghetti - spaghetti on soya-based sauce, topped with lots of fresh veggies and cheese

Vege-burger - our very own spicy burger, a mixture of green leafy veggies and mung beans

Garden of Hawaii Pizza -
a whole-lot-a veggies on
a whole-lot-a wheat dough
thin crust pizza

We Cater....

We Deliver (minimum order of P300)...

We offer cooking lessons...

And to complete our vision of a healthy lifestyle...

We have yoga and tai chi lessons,

Talks/forum on nutrition and food preparation,

Sharing on holistic spirituality.

Ours is also an outlet for locally manufactured plant based/natural products like... brown rice coffee, fried tempeh (indonesian delicacy), pikoko (pinoy granola), fresh tofu (tokwa), fresh tempeh, fresh gluten, and many more.

Let's start our journey to a healthy lifestyle... Come join us at:
